

65TH IALB/ 15TH EUFRAS/ 12TH SEASN CONFERENCE | Radenci, Slovenia

CALL FOR POSTERS

At the IALB, EUFRAS, and SEASN Conference 2026 in Radenci, interested individuals and organisations will once again be able to present current topics, projects, and initiatives in the field of agricultural advisory services, education, and rural development through poster presentations and discuss them with conference participants. All submitted posters will be digitally accessible via the conference website and included in the conference documentation. On-site poster presentations in printed form will be available to a limited extent; therefore, a selection may be made by the conference management.

The theme of the conference is:

“Tailored learning and leadership to empower youth, with a focus on women in agriculture.”

We invite participants to present posters that present innovative advisory approaches and methodologies, projects supporting young farmers and rural youth, initiatives strengthening the role of women in agriculture, educational programmes and capacity-building activities, research related to advisory services, AKIS and rural innovation, Horizon Europe and other international cooperation projects, or other relevant research results

Technical requirements

The poster should be prepared in A1 format (594 × 841 mm, portrait orientation) and designed to ensure good readability from a distance.

The poster should also:

- include the title, author(s), organisation and contact information
- present information in a clear and visually engaging way, avoiding excessive text
- be written preferably in English, or bilingual (English and another language)

Poster presentation

The poster session will take place on **Thursday, 18 June 2026**, as part of the conference programme. A selection of submitted posters will be printed and displayed in A1 format at the conference venue. In addition, all posters will be made available digitally through the conference website and included in the conference documentation. The best poster will be selected by online voting by the conference participants. Please note that at least one author or contact person should be present during the poster session to present the poster and answer questions from participants briefly.

Submission

Authors are invited to submit their posters by **Friday, 22 May 2026**.

Please send the poster files (**PDF and JPG/PNG formats**) to:

infoseasn@gmail.com (subject: *Poster Submission – [Organisation]*)

Please share this invitation with colleagues and organisations that may be interested in presenting their work.

Many thanks and best regards,

The organising team of the
