

The map displays the Karst region in Slovenia, characterized by its rugged terrain and numerous karst features. The Karavanki mountain range is prominent in the north, while the Pohorje range is to the east. The Kamnisko-Savinjske Alpe are visible in the central-north area. The map includes labels for various towns and cities, such as Ljubljana, Kranj, and Znojmo. The borders with Austria (Österreich) and Croatia (Hrvatska) are also indicated.
