The European Agricultural Fund for Rural Development: Europe investing in rural areas

MONDAY, 18TH NOVEMBER 2024

Conference of the PAAS

08:00 Registration of participants

09:00 Opening greetings

Anton Jagodic, Head of PAAS, CAFS

dr. Jože Podgoršek, President, CAFS

mag. Ervin Kosi, State Secretary, MAFF

09:40 The EU Mission 'A Soil Deal for Europe': the role of advisory services

Luis Sánchez Alvarez, Head of Sector - Mission soil, DG AGRI,
European Commission

10:15 EJP Soil - European Quality Research Programme for Agricultural Soils:

Important results also for Slovenia agriculture

prof. dr. Helena Grčman, University of Ljubljana, Biotehnikal Faculty

10:35 The importance of protecting agricultural land to ensure food security in Slovenia,

Tanja Gorišek and Tomaž Primožič, MAFF

11:00 BREAK

11:30 The role of PAAS in the conservation of agricultural land and soil fertility

Igor Škerbot, CAFS – Institute Celje and colleagues PAAS

12:10 Monitoring system for agricultural soils in Slovenia

dr. Boštjan Petelinc, Head of Climate Policy at Agriculture, MAFF

12:30 Key aspects of responsible water management in crop production in the perspective of the one health triad

prof. dr. Marina Pintar, University of Ljubljana, Biotehnikal Faculty

13:00 LUNCH BREAK

15:00 Compromise proposal for a Directive on monitoring and soil resilience

dr. Petra Karo Bešter, Ministry of the Environment, Climate and Energy

15:15 Round table: from theory to practice - the experience of consultants PAAS participants:

Matic Leben, CAFS – Institute Ptuj

Igor Škerbot, CAFS – Institute Celje

Marija Kalan, CAFS – Institute Kranj

Mateja Strgulec, CAFS – Institute Novo mesto

Timotej Horvat, CAFS – Institute Maribor

Nada Gabrenja, CAFS – Institute Ljubljana

Anka Poženel, CAFS – Institute Nova Gorica

Boštjan Ferenčak, CAFS – Institute Murska Sobota

16:30 Climate change mitigation and adaptation through regenerative agriculture

mag. Jochen Buchmaier, HUMUS + Model Ecoregion Kaindorf

The first day of the PAAS conference was co-financed by the Ministry of Agriculture, Forestry and Food of Slovenia.

PROGRAMME

The European Agricultural Fund for Rural Development: Europe investing in rural areas

TUESDAY, 19TH NOVEMBER 2024

EUROPEAN INNOVATION PARTNERSHIP (EIP) EVENT

8:30 Registration of participants

9:00 Opening greetings
Maša Žagar, general director, MAFF

9:05 AKIS interventions of the CAP Strategic Plan 2023-2027 to support of soil
Tanja Gorišek, MAFF

9:30 Soil as an irreplaceable and non-renewable natural resource - How much are we aware?
dr. Borut Vrščaj, Agricultural Institute of Slovenia

PROJECT PRESENTATIONS

9:45 Foreign EIP: Innovative strategies for resource-saving and resilient grassland management, KUHproKLIMA, Germany (web presentation)
Christine Bajohr, AERA Land gGmbH

10:00 Interreg: Integrating knowledge on Alpine soils for improvement sustainable ecosystem management (Links4Soils)
dr. Borut Vrščaj, Agricultural Institute of Slovenia

10:15 EIP: Adaptation crop production to climate change and soil protection
Marko Černe, CAFS - Institute Ptuj

10:30 Questions and answers

10:45 COFFEE BREAK

11:15 EIP: Integrating soil green cover crops into the arable rotation - options replacing nitrogen from mineral fertilisers in the fertilisation of the following crop,
doc. dr. Anastazija Gselman, Faculty of Agriculture and Life Sciences

11:30 EIP: Establishment of geo-referenced mobile sampling for soil analysis with the aim of optimal use of fertilizers and reduction of negative environmental impacts
Grm Novo mesto - Center for Biotechnology and Tourism

11:45 CRP: Reducing greenhouse gas emissions and enhancing soil C sequestration using conservation tillage (ReC-Till),
dr. Marjetka Suhadolc, Biotechnical Faculty

12:00 LIFE: Promoting the reduction of greenhouse gas emissions with a view to 2030 (LIFE IP Care4Climate),
dr. Aleksander Marinšek, Forestry Institute of Slovenia

12:15 Questions and answers

12:30 Short presentation of pilot projects

12:45 LUNCH BREAK, networking, presentation of new EIPs (panels in the lobby)

13:45 Interreg: Developing carbon management in agriculture in Central Europe,
dr. Aleš Kolmanič, Agricultural Institute of Slovenia

14:00 CRP: Reducing of draught stress and increasing of soil fertility by introducing conservation soil tillage into sustainable agriculture
doc. dr. Rok Mihelič, Biotechnical Faculty

14:15 LEADER: HUMUS,
Peter Pribožič, LAG The wealth of the countryside

14:30 Questions and answers

14:45 Round table: How to translate innovative and practical solutions into general practice?

15:15 Conclusion and evaluation of the event, Maša Žagar, general director, MAAF

The second EIP Day is funded by the Rural Network (Technical Assistance to the Common Agricultural Policy Strategic Plan 2023-2027).
