

SHORT BIO

Luis Sánchez joined DG Agriculture and Rural Development (DG AGRI) in January 2023 and is Head of Sector at Unit F.2 'Research and Innovation' where he coordinates the EU Mission Soil team. He started working in the European Commission at DG Research and Innovation in 2016, in the design and implementation of the European Innovation Council (EIC) and the EIC Fund until 2022. Before joining the Commission, he worked for almost 20 years in agricultural policy and R&I in the Madrid Regional Government, as Director General of Agriculture and Rural Development or Managing-Director of the Madrid Institute for Agricultural and Food Research (IMIDRA), among other senior management positions. Luis is Agricultural Engineer and holds a PhD in the field of water and nutrient management in arable crops.
